

STUDENT INITIATIVES FUND

The School of Chemistry and Biochemistry *Student Initiatives Fund* provides support for a series of important professional development and enrichment programs. The fund is supported through generous donations from alumni, faculty and staff. Donations to the Georgia Tech Foundation towards the fund are tax-deductible. We hope that you will consider making a donation to the *Student Initiatives Fund* by printing and completing this form.

Name: _____

Address: _____

- Yes, I/we would like to make a contribution towards student initiatives of:
- \$1,000 \$500 \$250 \$100 \$50 \$_____ (other)

I wish for this donation to be directed towards:

- Undesignated
- Undergraduate Research Initiation Awards
Undergraduate research provides exceptional opportunities to make science more relevant to students.
- Career Preparation Initiative
A series of symposia, seminars and panels to cover topics outside the realm of the normal curriculum to best-prepare students for a variety of careers. This is an initiative that also has alumni return to campus as instructors/mentors..
- Student Opportunity Awards
Funds available for student travel to attend local, regional, and national meetings; and for student organizations (Student ACS chapter, Graduate Student Forum, Women in Chemistry, etc)
- Seminar Series
This allows students host seminar speakers of their own choosing and enhances their engagement in the seminar series in the School.
- Undergraduate Student Awards
Honors Day is held each spring to recognized outstanding scholastic achievement by undergraduates across campus.
- Graduate Student Awards
A Graduate Student Awards Symposium is held every fall to recognize accomplishments by our graduate students

I am interested in opportunities to hire new GT grads (if yes, we will contact you for further details)

I am interested in visiting campus to meet with current students to discuss career opportunities and pathways? (if yes, we will contact you for further details)

Companies often have employee matching programs: Please consider the possibility of boosting the value of your contribution through such programs.

Please make check payable to *Georgia Tech Foundation* and write "Student initiatives-CHEM" on the memo line. Support to Chemistry and Biochemistry through the Georgia Tech Foundation is fully tax-deductible.

Please mail the completed form and check to:
