Dow Chemical Information Session

Tuesday, September 22, 2015
6:00 -7:00 PM
Ford ES&T Building L1255

PhD Recruiting for Chemistry, Chemical Engineering and Material Sciences (Other Related Disciplines Welcome)

The Dow Chemical Company PhD recruiters will be available for an information session to provide an overview of research and development at Dow and answer your career questions. Join us for pizza and soda and learn about opportunities for PhD and post-doctoral researchers.
