

EMERGENCY PROCEDURES

Molecular Science and Engineering Building

BUILDING ALARM:

- EVACUATE IMMEDIATELY BY NEAREST EXITS
- DO NOT USE ELEVATORS! DO NOT RE-ENTER LABS or OFFICES!
- Floor monitors will check each floor prior to evacuating
- Move to the designated group assembly point.

If Afterhours:

- CALL GT POLICE (404-894-2500) to report incident
- Inform the Police of your assembly point location
- CALL Vic Summey (Facility manager) @ 404-894-5155
- WAIT to meet with Police and Facility manager

TORNADO/HURRICANE ALARM:

- Go to the primary “shelter in place” location: Access central corridors
- Secondary “shelter in place” are central rooms without windows: Restrooms and central hallways without windows

Emergency Numbers:

GA Tech police @ 404-894-2500
